

## Bangladesh Computer Society

An organization of Computer Professionals established in 1979  
under Registration No. S 1638(53)/95

The Annual fees with charges are enlisted below. Note here that the member of any criteria would have to pay fees for **at least three years** in starting and can renew later as per wish. Some membership criteria's have "**LIFE TIME**" option too. All of these fees are excluded from any kind of commission charges.

\*\* Fees for Application and Registration are not required for renewing the membership.

\*\* Fees for Certificate and ID Card are only required in case of renewing membership if the applicant want to collect them.
