President's Message

Dear Esteemed Members,

I am truly honored and privileged to address you all as we gather for the Annual General Meeting 2021 and 2022 of the Bangladesh Computer Society (BCS). I extend to you all a heartfelt and warm welcome to this Annual General Meeting of the Bangladesh Computer Society (BCS). It is with great compassion and empathy that I address you today, recognizing the formidable challenges we face as we strive to develop a smarter computer society. I firmly believe that, together, we will emerge from these challenges stronger, more resilient, and wiser.

On this remarkable occasion, I would also like to extend my sincere regards to the Father of the Nation, Bangabandhu Sheikh Mujibur Rahman for his visionary leadership and now our responsibility is to carry forward his legacy.

BCS, established on July 23, 1979, owes its existence to the pioneering efforts of Professor Dr. Abdul Matin Patwari, Former Vice-Chancellor of BUET, and the Late National Professor Dr. Jamilur Reza Choudhury, Former Vice-Chancellor of Brac University and the University of Asia Pacific. Since its inception, BCS has played a pivotal role in professional development, digitization, and the realization of the Hon'ble Prime Minister Sheikh Hasina's Vision-2041 for a Smart Bangladesh.

Our current committee has made significant strides in transforming our society into a smarter and more efficient organization. We have launched a user-friendly website that streamlines membership applications, making the process more accessible and convenient. We have initiated effective training programs for our members, ensuring their continuous development and competitiveness. Furthermore, we are actively seeking collaboration with the Ministry of Information and Communication Technology to implement initiatives that will serve the nation. In a noteworthy move, we have relocated our office to a spacious and inviting 4,000 square feet facility, providing ample space for training activities and meetings. Additionally, we have established a fund to support our members during times of special need and urgency. To spread our nation-wide activities, we have established 8 vibtrant Divisional Committees.

Currently, our society comprises approximately twenty thousand professional members who are instrumental in shaping our knowledge-based smart society. These IT professionals are at the forefront of embracing emerging technology, operating ICT systems in both government and non-government offices, and driving the vision of a smart Bangladesh. They play significant roles in advancing ICT-based systems and infrastructure, moving us closer to a poverty-free Bangladesh. BCS remains steadfast in its commitment to creating a better working environment and fostering the professional development of its members for the betterment of our nation.

President's Message

Our organization encompasses experts from various sectors, including ICT professionals, academicians, and government policy-makers. It is crucial for all BCS members to actively unite under the umbrella of BCS, not only to enhance their professional lives but also to contribute to the nation's development. BCS is dedicated to providing better service to its members by transitioning its operations fully into the digital realm and facilitating professional development through training and workshops.

We are calling upon the government to establish an ICT cadre service, which will serve as the driving force in building a smarter Bangladesh, aligning with the visionary goals set by our Hon'ble Prime Minister, Sheikh Hasina.

The future beckons, and it is brimming with promise. With Industry 4.0 on the horizon, BCS has a significant role to play in shaping the destiny of Bangladesh. Let us rise to the occasion, embrace change, and lead our nation into a future marked by innovation, progress, and inclusivity.

I hope that all BCS members will position themselves as leaders in shaping the future of Bangladesh in the era of Industry 4.0 through the realization of Digital Bangladesh.

I wish the betterment of our members. I am grateful to the Management Committee of BCS, Councilors, and all members who are involved for their tireless efforts in arranging this AGM.

Long live the Bangladesh Computer Society!

Sincerely,

Professor Dr. Mohammad Shorif Uddin
President, Bangladesh Computer Society

Secretary General's Message

Hon'ble President, Esteemed Management Committee Members, Dedicated Councillors, Divisional Branch Committee Members, Valued Members of the Bangladesh Computer Society (BCS), representatives from the press and electronic media and all participants in the Annual General Meeting 2021 & 2022 of BCS.

Assalamu Alaikum and Good Afternoon.

As we convene today, I would like to extend my warm greetings and gratitude to all present here in the meeting. The Management Committee is entrusted with the responsibility of organizing the Annual General Meeting (AGM) each year to provide an account of our activities for the betterment of the Society. The current committee, serving from 2021 to 2023, began its tenure on January 1st, 2021 and we have gathered today for the AGM covering the years 2021 and 2022.

With the approval of our esteemed Society members during the last AGM, M/s, Zoha Zaman Kabir Rashid & Co. conducted a comprehensive financial audit for the years ending on December 31, 2021, and 2022. The audit report of 2021 & 2022 is included in the Annual Report. Here are some key highlights:

Description	As of 31 December, 2022	As of 31 December, 2021	As of 31 December, 2020
Total Income	BDT 16,43,561	BDT 28,97,537	BDT 44,48,810
Total Expense	BDT 18,67,538	BDT 23,00,693	BDT 30,15,984
Net Income	BDT (2,23,977)	BDT 5,96,844	BDT 14,32,826
Net Asset	BDT 158,55,048	BDT 60,49,025	BDT 54,17,681

Our current committee has made significant improvements to our membership database. We have rectified duplicate, inaccurate and irrelevant data resulting in a total of 310 Fellows, 2,558 Members, 14,275 Associate Members and 816 Graduate Members. That is, there are 17,959 in total.

We have arranged programs to show respect to the heroes of our Language Movement. We have organized following trainings where we provided 2134 certificates. We gave certificates to the trainee, in the presence of Mr. Mustafa Jabbar, The Hon'ble Minister of the Post and Telecommunication Department of the People's Republic of Bangladesh. The topics covered included:

• Modern Cyber Security: Concept, Culture & Latest Trends
• Project Management: Concept, Exam Overview, and Certification Guidelines
• Basic Concepts of Data Centre Management
• Ethical Hacking Essential Skills in Cyber Security Career
• Cyber Security Essentials for Business
• Roles of A Database Professional - A Practical Approach
• A Road towards ISO 27001- Lead Auditor Certification
• Certified Information Systems Auditor (CISA) Exam Preparation
• Digital Forensics
• Solution Architecture in A Multi-Cloud Environment
• Cyber Attack and Network Security
• AWS Certified Cloud Practitioner: Exam Preparation & Strategy
• BCS Certified Cyber Security Professionals
• BCS Certified Ethical Hacker

In addition, with the support of our Divisional Committees, we organized webinars on the following topics:
• Securing Cyber Space for Sustainable Development
• Future Career in Software Development
• Role of Corpus in Bengali Language Research
• A Comprehensive Bangla Corpus: KUMONO
• Stemming Bangla Words: Techniques, Applications, and Challenges
• AI's Role in Health Information

Secretary General's Message

For further enhancement of our activities, we established 10 committees, 15 sub-committees, and 8 divisional branch committees across Bangladesh as outlined in our constitution to make the society more authentic & acceptable. As part of our digital transformation, we have created a modern and dynamic website, launched on August 4, 2023. Throughout the years, we have communicated with various government bodies, advocated for our members' interests, and jointly organized events like the "MUJIB 100 Idea Contest 2021" and the "Bangabandhu (Online) Divisional Programming Contest 2021". On behalf of the Bangladesh Computer Society, We hosted two Iftar parties and Doa Mahfil sessions over the past two years, with the participation of approximately 400 members. Besides, without using official fund, we have rendered a generous service to almost 1200 flood affected people in sylhet last June, 2022. We are proud of our esteemed members and have recognized their accomplishments by awarding 4 honorary felicitations in the last 3 years. In response to members' requests during the last AGM, we have established a welfare fund named "বাংলাদেশ কম্পিউটার সোসাইটি (বিসিএস) সদস্য (সহযোগী সদস্য, সদস্য এবং ফেলো) কর্মকর্তা ও কর্মচারী কল্যাণ তহবিল" with its own constitution along with a bank account. Three members of the executive committee have already deposited 30000 (thirty thousand) taka in that account and other members have assured to contribute more.

On December 1st, 2021 BCS presented the following five proposals to the Hon'ble State Minister, Mr. Zunaid Ahmed Palak, ICT Division, Ministry of Posts, Telecommunications, and Information Communication Technology, Government of the People's Republic of Bangladesh. These proposals aimed to advance the vision of a Smart Bangladesh, including the establishment of an ICT cadre and more involvement of BCS in ICT policy-making.

1. Immediate establishment of an ICT cadre to deliver digital services to the doorsteps of the people to build the developed Bangladesh of Bangabandhu's dream.
2. To involve Bangladesh Computer Society in various ICT-related policy-making activities of the government to implement Digital Bangladesh.
3. Allotment of permanent space for Bangladesh Computer Society at Computer Council, Janata Tower Hi-Tech Park, or any convenient place.
4. To ensure that ICT professionals can work in the workplace with equal dignity as first-class professionals, be involved in ICT policy-making in their respective organizations, and be promoted on time.
5. Government issued SRO 2018 in place of Computer Personnel Recruitment Rules 1985, where membership of the Society has been revoked. To take measures to ensure that the membership of the society remains uninterrupted.

I extend my heartfelt thanks to the current Management Committee (MC), Councillors, Divisional Branch Committee and all involved for their tireless efforts in arranging this AGM.

The present committee (2021-2023) is committed to serving our members and society to the best of our abilities. We humbly request all members to join us in strengthening our society and enhancing our collective efforts for the same.

Thank you all for your presence at this AGM.

Sincerely,

Abdur Rahman Khan Jehad
Secretary General

BANGLADESH COMPUTER SOCIETY

AUDITOR'S REPORT – 2021
AND
FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2021

INDEPENDENT AUDITOR'S REPORT
TO THE EXECUTIVE COMITTEE OF
BANGLADESH COMPUTER SOCIETY

Opinion
We have audited the financial statement of BANGLADESH COMPUTER SOCIETY which comprise the statement of financial position as at 31st December 2021, The Statement of Comprehensive Income, Statement of Receipts & Payments and notesthe financial statements, including a summary of significant accounting policies.
In our opinion, the accompanying financial statement presents fairly in all material respects of the statement of financial position of BANGLADESH COMPUTER SOCIETY as at 31st December 2021, and of its financial performance for the year then ended in accordance with International Financial Reporting Standards (IFRSs).

Basis for opinion
We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the audit of the Financial Statement section of our report. We are independent of the BANGLADESH COMPUTER SOCIETY in accordance with the International Ethics Standard Board for Accountants' Code of Ethics for the Professional Accountants (IESBA Code), together with the ethicalrequirements that are relevant to our audit of the financial statement in Bangladesh, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of management and those charged with governance for the financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with International Financial Reporting Standards (IFRSs), and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.
In preparing the financial statements, management is responsible for assessing the society ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the society or to cease operations, or has no realistic alternative but to do so.Matter of emphasis The management keeps a book for recording day to day financial transactions which is not properly maintained and balanced regularly. No ledger has been maintained. However,the accounts have been prepared fromincomplete records by the management.

BANGLADESH COMPUTER SOCIETY
বাংলাদেশ কম্পিউটার সোসাইটি

Auditor's responsibilities for the audit of the financial statement

Our objectives are to obtain reasonable assurance about whether the financial statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial statement.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of note detecting a material misstatement resulting from fraud is higher than for one resulting from error as fraud may involve collusion, forgery, international omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances.
- Evaluate the appropriateness of accounting policies used and the reasonableness ofaccounting estimates, if any, and related disclosures made by management.
- Evaluate the overall presentation, structure and content of the financial statement, including the disclosures, and whether the financial statement represents the underlying transactions and events in a manner that achieves fair presentation.

We also report that,

a. we have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit and made due verification thereof;

b. the statement of financial position, comprehensive income account and receipts and payments account dealt with by the report are in agreement with record; and

c. the information and explanation required by us have been received and found satisfactory .

INDEPENDENT AUDITOR'S REPORT
TO THE EXECUTIVE COMITTEE OF
BANGLADESH COMPUTER SOCIETY

Opinion

We have audited the financial statements of BANGLADESH COMPUTER SOCIETY which comprise the statement of financial position as at 31st December 2022, The Statement of Comprehensive Income, Statement of Receipts & Payments and notes to the financial Statements, Including a Summary of significant accounting policies.

In our opinion, the accompanying financial statement presents fairly in all material respects of the statement of financial position of BANGLADESH COMPUTER SOCIETY as at 31st December 2022, and of its financial performance for the period ended in accordance with International Financial Reporting Standards (IFRSs).

Basis for Opinion

We conducted our audit in accordance with the International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statement section of our report. We are independent of the BANGLADESH COMPUTER SOCIETY in accordance with the International Ethics Standard Board for Accountants' Code of Ethics for the Professional Accountants (IESBA Code), together with the ethical requirements that are relevant to our audit of the financial statement in Bangladesh, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of management and those charged with governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with International Financial Reporting Standards (IFRSs), and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the society's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the society or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Statement

Our objectives are to obtain reasonable assurance about whether the financial statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken based on this financial statement.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We are also:

- Identify and assess the risks of material misstatement of the financial statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of note detecting a material misstatement resulting from fraud is higher than for one resulting from error as fraud may involve collusion, forgery, international omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates, if any, and related disclosures made by management.
- Evaluate the overall presentation, structure, and content of the financial statement, including the disclosures, and whether the financial statement represents the underlying transactions and events in a manner that achieves fair presentation.

We also report that,

a. We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit and made due verification thereof;
b. the statement of financial position, comprehensive income account and receipts and payments account dealt with by the report are in agreement with record; and
c. the information and explanation required by us have been received and found satisfactory.
